

SHARDA CARDS PVT. LTD.
Since 1941

Manufacturer Of Playing Cards & Games

About us

Sharda Cards Pvt. Ltd. was founded in 1941 by Late Mr. Mangala's Shah, a pioneer in the Indian Playing Card Manufacturing Industry, to produce Playing Cards & folded cartons. Throughout the years, his son, Mr. Rajendra Shah from 2nd generation, has contributed significantly to the company's success and growth. Now that the third generation Mr. Mitul Shah & Mr. Adit Shah has taken over, they are assisting the family business in taking it to the next level with their new enthusiasm and expertise.

We are one of India's oldest & largest Manufacturers of Playing Cards, & we continue to dominate the market. We manufacture & supply a high-quality selection of Playing Cards to our customers. Quality, productivity, & technology are three critical aspects that we consider when expanding our business. We provide high-quality Playing Cards Across Pan India & Event to the International Market

We not only specialize in Manufacturing Customise Playing Cards but we also manufacture game cards, educational cards & Flash cards. With a state of the art pre-press department, a range of advanced four colour offset printing machines & a complete in-house post press setup, we can deliver jobs of the highest quality.
